Dear Mr. Yang,

RE: PERMISSION REQUEST TO CONDUCT VIDEO SHOOTING AT ESCAPE THEME PARK

Referring to the subject above,

Penang Global Tourism (PGT), the marketing arm of the Penang State Tourism, constantly undertakes on producing new advertising and promotional materials to promote Penang locally and abroad. With the many accreditations on Penang recently, there is a need for PGT to update its promotional materials on the latest attractions, statewide.

PGT is currently producing a promotional video to highlight places of interests in "the other side of the island" that includes Teluk Bahang and Balik Pulau. Thus, we would like to feature Escape Theme Park in this video as we believe it's well suited and would appeal to tourists.
