JOM! Experience Penang! 🌞🌞

There are so many things to do in Penang besides makan. Let's explore this diversity state known globally for its UNESCO World Heritage Site of George Town, quirky street art, street food, 130-million-year-old virgin rainforest, and diverse natural landscapes of hills and beaches. 🌴🌴

There are so many new attractions in Penang with world unsurpassed titles such as World's Steepest Tunnel Track; World's First Tower Curved Skywalk; World's Highest... See More
