4. The Penang State Government emphasises that the premise operators **should** assume full responsibility in ensuring that all necessary safety measures are **continuously maintained, practiced and updated as required by the relevant authorities**. Kindly be advised that **this accreditation is by no means a form of assurance and complete guarantee against the possibility of Covid-19 contagion at any time**. The Penang State Government or any parties involved in the grading and accreditation processes are not making any representations, warranties or guarantees through the logo and accreditation. The Penang State Government disclaims liability and all claims with respect to any sickness or injury to persons or to property, or other damages of any nature in future. Audits will be carried out periodically on accredited premises to ensure the standards are met and maintained.

5. The Penang State Government appreciates your effort, commitment and dedication to rebuild Penang as a desirable tourism destination in the country. Thank you for your contribution in making Penang a more responsible place to be.

“CEKAP, AKAKUNTABILITI & TELUS”

Yours truly,

YB. YEOH SOON HIN
